Prints on both sides

Compact High Quality Monochrome Laser Printer with Automatic Double-sided Printing

This fast, compact monochrome laser printer comes with many cost-saving features such as double-sided printing. It offers you excellent value for money for your daily printing requirements (up to 2,000 pages per month).

- Fast printing at up to 24 pages per minute (ppm)
- Save paper with automatic double-sided printing
- Excellent document quality thanks to high print resolution
- High-yield toner is available to save you money
- Low maintenance: large paper tray and manual feed slot to easily print on envelopes

HL-2240D Compact High Quality Monochrome Laser Printer with Automatic Double-sided Printing

Reduce paper usage with double-sided printing

With the automatic double-sided printing, you can save on paper and reduce paper usage in your office by printing on both sides.

Increase productivity with high print speed

You will appreciate being able to print quickly at up to 24 pages per minute (ppm). Sharp, crisp text and accurate reproduction of fine details are a given too, with the HL-2240D's high print resolution for outstanding results.

Keep costs low

With the HL-2240D, you get a choice of standard and high yield toner to perfectly match how much you print. The bundled drum prints up to 12,000 pages before replacement is required. All Brother supplies, including the drum, can be replaced individually, saving you money as you only pay for what you have used.

Environmentally-friendly

The HL-2240D's Energy Star certified energy efficiency means low power consumption for you.

HL-2240D Technical Specifications
