

SUPERIOR PERFORMANCE WITH LOW-COST DUPLEX PRINTING.

IT'S ALL
ABOUT
THE INK

Driven by the revolutionary PrecisionCore™ printhead technology, the L655 ink tank system printer delivers cost-effective printing with swift speeds of up to 33ppm for draft and 13.7ipm for standard prints. You'll not only enjoy black and white printouts with sharp texts that are water and smudge-resistant, you can also print vibrant and glossy photos on photo media paper. The L655 also comes with a full suite of connectivity features, making it the ideal choice for your office.

ENGINEERED FOR BUSINESS

Superb Quality and Cost-savings

Enjoy quality printouts and the lowest cost of duplex printing on any inkjet printer**.

Convenient Connectivity

Share your printer over Wi-Fi, Wi-Fi Direct, Ethernet and print on the go via a suite of Epson Connect features.

Enhanced Productivity

Boost your productivity with default print speeds of up to 13.7ipm, as well as scan and copy multi-page documents with the built-in ADF.

PRECISIONCORE

* Standard warranty period is one year. Additional one-year warranty will be activated upon online warranty registration.

** As of 10 April 2015, the Epson L655 offers users the lowest cost of printing duplex (cost per two-pages), for any inkjet printer capable of auto-duplex, using genuine branded supplies from its own manufacturer. This is based on the MSRP listed on the manufacturer's websites in 5 major ASEAN markets.

Your next level of productivity begins with Epson's L655 ink tank system printer, the printer that offers the lowest duplex printing costs*, with each set of inks yielding up to 6,000 pages for black and 6,500 pages for colour. Enjoy quality documents and photo prints at fast print speeds, complete with a suite of connectivity features.

Superb Quality and Cost-savings

Be impressed by reliable quality afforded by a 4800 dpi high resolution output. The L655 prints black and white documents with razor sharp text that are water and smudge-resistant. You can also print lab-quality glossy photos on photo media paper. The L655 also allows you to print on automatic duplex. Each set of inks yields up to 6,000 pages for black and 6,500 pages for colour, offering the lowest cost of printing duplex*.

* As of 10 April 2015, the Epson L655 offers users the lowest cost of printing duplex (cost per two-pages), for any inkjet printer capable of auto-duplex, using genuine branded supplies from its own manufacturer. This is based on the MSRP listed on the manufacturer's websites in 5 major ASEAN markets.

Convenient Connectivity

Wi-Fi and Wi-Fi Direct Connectivity

Experience a world of wireless convenience with access to easy and flexible shared printing and mobile printing. The added advantage of Wi-Fi Direct allows you to connect up to 4 devices to the printer without a router. The L655 also comes enabled with Ethernet, ensuring superb connectivity, allowing you to easily share your printer within your work group for better use of resources.

Epson Connect Enabled

- **Epson iPrint** - Print from and scan directly to your smart device or online cloud storage services.
- **Epson Email Print** - Print to any Email Print enabled Epson printer from any devices or PC with email access.
- **Remote Print Driver** - Print to a compatible Epson printer anywhere in the world via the Internet using a PC with Remote Print driver or from mobile devices via the Epson iPrint app.
- **Scan to Cloud** - Share your scans through email or store them online in cloud storage services.

Other mobile solutions:

- **Apple® AirPrint™** - Print directly from your Apple devices.
- **Google Cloud Print™** - Print directly from an Android™ smartphone, tablet or PC using your Google account.
- **Mopria™ Print Service** - Conveniently print across different brands of printers from mobile devices running Android OS 4.4 or later.

Enhanced Productivity

PRECISIONCORE **High Speed Printing**
Enjoy print speeds of up to 13.7ipm for standard print, along with draft print speeds of up to 33ppm with Epson's PrecisionCore printhead, offering versatile high-speed, high-quality solutions for commercial, industrial and office printing. The L655 also supports automatic duplex printing up to 6.5ipm, therefore reducing paper wastages.

PARTNERS IN PERFECTION

EB-1430Wi Ultra Short Throw Interactive Projector

The EB-1430Wi provides a wide range of connectivity options such as HDMI and LAN input, and Epson's wireless iProjection application.

Automatic Document Feeder

The L655 is equipped with a 30-sheets ADF unit for convenient scanning and copying of multi-page documents.

LCD Screen

Experience easy setup and PC-less operation with a 2.2" mono LCD on the L655.

100 Page Fax Storage Memory

The L655 Broadcast Fax and PC-fax functions allow you to send a fax digitally with your computer, complete with a 100-page fax storage memory that ensures your incoming faxes will be received if the printer is out of paper or ink.

Epson Warranty for Peace of Mind

Enjoy warranty coverage of up to two years* or 50,000 prints, whichever comes first, for maximum value from your printer. Epson's warranty includes coverage of printhead, which is most important for a printer designed for high volume printing.

* Standard warranty period is one year. Additional one-year warranty will be activated upon online warranty registration.

Space-saving Design

Even with its multifunctional capability, the L655 is compactly designed to take up very little space compared to conventional designs, allowing you to fit it comfortably anywhere in your office or home.

Quality That Shines. Value That Lasts.

Epson genuine ink bottles are formulated to deliver outstanding high-volume print quality with L-series printers. Every bottle is individually sealed to ensure the purity of ink and comes with a smart tip designed for mess-free refills. Choose Epson genuine ink to enjoy lasting quality with your L-series printer.

WorkForce DS-960 Scanner

An ultra-fast and efficient scanner for document management, with speeds of up to 130ipm, Document Capture Pro software and scan to cloud functions.

Dimensions & Weight

L655

Weight: 7.4kg (16.3 lb)

¹⁾ Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 x 15 cm photo print speed when printed on Epson Premium Glossy Photo Paper. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

²⁾ When printed on Epson Premium Glossy Photo Paper.

³⁾ Default mode in accordance with ISO7779 for MFPS.

⁴⁾ In accordance with ISO 24711/24712. Actual yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. Part of the ink from the initial bottles is used for initialising the printer. Ink is used for both printing and printhead maintenance.
