(Sold Separately)

Outstanding value without compromise! The ViewSonic® VA2349S 23" Full HD display delivers the performance you need at a price that fits your budget. Multimedia applications come to life for work or play with ViewSonic SuperClear™ IPS panel technology. Wide viewing angles give you a good view from any angle, while the VA2349S brings good looks to your desktop with its slim, glossy bezel. Plus, this is all-around great-looking performance you can feel good about. With ENERGY STAR® certification and ViewSonic's proprietary Eco-mode, this monitor goes easy on the environment – and your budget.

Key Features:

SuperClear™ IPS panel technology for wide viewing angles

MEGA Dynamic contrast ratio delivers sharp, crisp images

Amazing image clarity with Full HD 1080p for superior pixel performance

VESA-mountable design for wall-mounting or use on a stand

Energy-saving LED backlight plus Eco-mode™ to conserve more energy

Windows® 8 Certified Compliance for the most updated Windows® 8 experience without compatibility issues
